

Well try to be ready Sunday.
Dear Marian,

Friday-

I'm enclosing Jean's 'last letter'
tho it came 2 or 3 weeks ago. I seldom
get even a card from her any more.

I sent The dress several weeks ago but
she hasn't written a line about it. Maybe
I'll hear today. B. + B. came down Weds. night.
Mr. H. + the 3 "little" boys brot them. I popped corn
+ they stayed quite late. The boys looked at the
coin collection. It was so rainy yesterday
that Daddy spent part of the day indoors + they
played rummy. I had to take over while
he went to milk + tend chickens but I baked
bread + two cakes - one apple-sauce, the other
light (orange) - both used syrup dark + light. The
light for the latter cake. Then I used powd. sugar
for the icing making the amt. for one do for
both cakes. Not bad tho I didn't get the orange baked yet.
We were so glad to get your letter - I tried to
write again yesterday but had to help Daddy
drive calves to the pasture + of course the
mailman came early. Am glad the baby is
O.K. + that you're feeling well. Talk the doctor

into sending you home soon as you can since
B. & B. will come down about the time I do.
and They're going on to the Reeds for the
last of their vacation.

Must write Jean - she doesn't know
Reeds were here or anything that's happened
lately. We been almost dizzy - didn't know
Reeds were coming or that B. & B. were till
they were here almost.

I was to have Rose here + now there's
just today + tomorrow - looks like I'll
miss having her out. We ate dinner at
Goullers + visited with her one day. she
told a lot of things - funny - that happened while
they were prisoners - also lots of things that
D. + Jack said + did "way back when". Jack
just grinned. I wonder where he is - afraid
now he'll be sent to Japan. I'm going to call
+ see y ~~Rose~~ back from Richland.

Must close now - will be seeing you
and the rest soon. Love,
Mother
